Lee J. Gary - Law Office,  
38 So. Dearborn St.,  
Chicago,  
Ill.

Dear Mr. Gary:

It has been quite a number of years since we have done business with you. Are your services still available for patent work?

The writer would like to make an appointment at the earliest possible moment regarding some patent problems we currently have before us. Will some day this week be convenient?

Yours truly,

M.C.Frost/VL
